

THE 2020 CENSUS IS HERE

...AND SANTA PAULA COUNTS!

United States Census 2020

When does the Census officially begin?	April 1st
How can I complete the Census?	Online: www.my2020census.gov -or- Phone: (844) 330-2020 -or- Mail: Fill out and return the paper Census form
What if I already completed the Census online, before I got a Census ID letter and/or a paper Census form in the mail – should I do it again?	NO! Please only complete the Census ONCE PER HOUSEHOLD, no matter which format you choose.
Is it safe to complete the Census?	YES! By law, your answers cannot be shared or used against you in any way.
Does the Census even matter?	ABSOLUTELY! Santa Paula has been identified as an undercounted community. This means our city is not getting its fair share of funding and representation.
Where can I find more information?	Visit the SPCounts website: www.spcounts.org

You should have received a letter like this from the United States Census, containing your Census ID number. Go to www.my2020census.gov and enter that number to take the Census now!

EVERYONE COUNTS IN SANTA PAULA!
